## For Families...

### Guide By Your Side

A program that provides in-home parent-to-parent support, unbiased information, and links to resources for families with children who are newly diagnosed with hearing loss, immediately at the time of diagnosis and during the time of transition from a Birth to 3 program to the local school district or other programs. This program is designed to be inclusive of all families with children with hearing loss, with or without additional disabilities.

### Deaf Mentor Program

The Deaf Mentor Program supports the child and family's development of visual communication and sign language through in-home ASL instruction and interaction with specially trained Deaf Mentors.

### HELP (In Home Early Listening Program)

A program designed to provide in-home support to families in promoting their child's auditory development.

### Statewide Family Conference (March)

Families from around the state can learn from workshops, discussion groups and networking with other families. There are also planned family activities and childcare.

### WISHES (Wisconsin Infant/children's Statewide Hearing Aid Exchange Service)

A program designed to provide hearing instruments to families for a 6 month loan period.

## For Students...

### Distant Pals

A pen pal program connecting students who are deaf, hard of hearing and deafblind throughout the state.

### Teen Getaway Weekend

A weekend "getaway" for high school students to connect, support positive self-esteem and identity, and build leadership and self-advocacy skills.

### Teen Getaway Weekend Jr.

A weekend "getaway" for middle school students to connect and build positive self-esteem.

### Deaf Studies through Distance Learning

A unique opportunity for students to learn about Deaf history and culture via distance learning technology.

### College Fairs

Join junior and senior high school students around the state and learn about services available for students who are deaf, hard of hearing and deafblind at various colleges and universities.
